Alliance Steering Committee (ASC) - Communique

February 8th, 2024

Background:
At the September 21st, 2023 WA Alliance Partners Meeting it was agreed that we would shift the cycle of quarterly meetings to an annual partners meeting. To ensure continued communication with our partners the decision was made to communicate the key agenda items and outcomes from our monthly Steering Committee meeting to be available on the website for our WA Partners to view. As a result, the Committee aims to put out a short Communique after each meeting, and should you have any queries or wish to know more you can contact me as per details below.

For further information on these agenda items please reachout to:

John Berger
Director Engagement and Strategic Projects

February ASC Meeting:

Key Items

- Staff Report and Project Management tracking.
  - WAAEH backbone team have created a simple table of the current strategic projects we are driving using a traffic light system to more easily track our progress. This alerts the Steering Committee and our Alliance Partners to our work and we are available answer any questions. The link to the table is [here](#).
- AtoZ Data Report - December
  - Now published on the [endhomelessnesswa.com website/blogs](#) and please feel free to give us feedback and suggestions about any other data people would like.
- National Database for BNL Review.
  - The National BNL database is going to be updated and we are currently undertaking a state-wide review of the existing database and how best to link it into any new development to ensure it operates at an optimum level across our communities. We will keep you posted with further updates.
- Strategic Items.
  - Overview of the Strategy Review workshops that were held throughout 2023 were presented to the ASC. To progress this the next phase of work will be to develop sector led improvement projects based on feedback from the workshops. Our intention is to link up to the learning cycles with the Advance to Zero projects to ensure that the broader systems improvements are informed by the Strategy and we avoid any duplication of effort.

For any other updates please check our bi-monthly Newsletter and if you haven't subscribed to [here](#).
